Dear Parents,

Here is a list of resources that your child has access to during the Summer (most available until mid August). They are organized by subject. All you have to do is click on the link.

### myon

Read a variety of e-books on the website or download the app on your phone or tablet. Login information: *School Name:* 30Q069 Jackson Heights School, *username:* OSIS # *password:* 1(first 2 letters of your 1st name)

### Sora

Sora, the NYC DOE student reading app, provides the quickest and easiest way to read hundreds of eBooks and audiobooks on virtually any device. Download the app or visit the website. Click on this link for additional directions: [Sora Account directions](#)

### Epic

All families who had signed up for *Remote Student Access* through an invitation from their teacher will be able to enjoy a brand-new service, **Epic Free**, which includes 2 hours of free reading per week in a limited library of high-quality, educational books.

### SimplyE

If you don't have an NYPL library card, NY residents can apply for a digital card through the Library's **SimplyE** app. Once you've received your barcode and PIN, explore SimplyE to discover hundreds of thousands of e-books, plus visit our website to find many more digital resources. Borrow E-Books and Audiobooks. This app has been uploaded to all iPads issued by the Department of Education.

### Brainfuse

Get free online homework help from one-on-one tutors, daily from 2–11 PM. Available in English and Spanish. You will need to use your NY Public Library Card for access.

### Queens Library Summer Reading

This summer's theme is: "Imagine Your Story." Online programs and activities will explore all the many types of stories, from folk and fairy tales, legends, and myths—to your very own story, real or imagined!

### Downloadables for Writing

You'll find printable *10 summer learning activities* to engage kids in summer writing. While summer is filled with outdoor activities that often keep young people active, it should also include summer learning activities that keep students writing and working on grammar skills.

### Music Play Online

The Musicplay Digital Resources include song movies and kids demo movies of every song.

### [Khan Academy](#)

Math topics by grade. Personalized learning in math. Students practice at their own pace, first filling in gaps in their understanding and then accelerating their learning.

### [CoolMath](#)

Math and Games for Kids, Teachers and Parents. Math lessons and fun games for kindergarten to sixth grade, plus quizzes, brain teasers and more.

## Multi-Subject websites

### [FunBrain](#)
