September 2023

Dear Parents and/or Guardians:

P.S. 69 Grading Policy

Last year, our School Leadership Team, with the support of our teachers, reviewed and made changes to our Grading Policy to reflect a more consistent, equitable, and transparent manner to communicate student progress and what our students have learned. We have refined the criteria and have agreed on the following policy which is consistent across all the grades and subjects. We have three marking periods generally ending in November, March, and June; the last marking period grade is also the final grade for the year. Below are the grades as they appear on the report card.

Level	Domain	Description
4	Excels	Excels means that a student not only meets grade level standards but, consistently demonstrates progress towards meeting the next grade standards.
3+	Meets	Meets means that a student consistently performs at grade level standards
3	Meets	Meets means that a student consistently performs at grade level standards
3-	Meets	Meets means that a student consistently performs at grade level standards
2+	Approaches	Approaching means that a student inconsistently performs at grade level standards.
2	Approaches	Approaching means that a student inconsistently performs at grade level standards.
2-	Approaches	Approaching means that a student inconsistently performs at grade level standards.
1	Below	Below means that a student consistently performs one or more levels below grade standards.

Reading and Writing assessments are graded according to a 4, 3, 2, 1 rubric. We also give tests which are converted according to the following scale:

Test Grade Conversion

95 – 100	4
87 - 94	3+
78 – 86	3
70 – 77	3-
64 – 69	2+
57 – 63	2
50 – 56	2-
49 and below	1

Above and beyond grades given for tests, class assignments, homework, and participation are also graded. While the quality of classwork and homework are often consistent with overall performance, sometimes they are not and this can have an impact on a child's grades. On the reverse, please see specifics for your child's grade.

Sincerely,

Nicole Ciorciari
